# HOSTEL@FGI

Future Group Of Institutions with its 20-Acre campus and lush green gardens ensures a world-class facility for all its students. Every attempt has been made by the management and the administrative board to assure that every student has a comfortable and a cosy home away from home.

The on-campus, fully-furnished residential facility extends the flexibility of conducting all types of academic and extracurricular activities. There is a separate hostel facility for boys and girls @FGI
