TRANSPORT FACILITIES

The Future Group Of Institutions provides a dedicated bus service, the buses ply on different routes of Bareilly and other areas to pick and drop the students & also commuting for its day scholars, faculty, and other members. It places a premium guard with regard to safety, hygiene, and punctuality to commutation. The buses of the institute are equipped with medical services and a GPS system. Our bus drivers are well trained and are licensed by the RTO to drive college buses to ensure the full safety of both the student and staff members.
